Case Name: USA v. Sears et al

Case Number: 1:16-cr-00301-WJM

Filer:

Document Number: 264(No document attached)

**ORDER as to William J. Sears (1):** This matter is before the Court on the Government's Response to Motion to Vacate, Set Aside, or Correct Sentence [255], and the Defendant's Response in Support of Evidentiary Hearing/Motion to Set Aside [262], which the Court construes as a Reply in support of the Defendant's Motion to Vacate, Set Aside, or Correct Sentence. The Court notes that the Government's Response exceeds the 15 page limit to this Court's Revised Practice Standard III.C.1 which states that "ALL OTHER motions... Motion and Response [shall be]: 15 pages; Reply: 10 pages". In the interest of justice, the Court will not strike the Government's Response, but counsel is warned that any further filing which exceeds an applicable page limitation, without prior leave of the Court, will be summarily stricken. The Court further notes that the Defendant's Reply is 41 pages in length, which grossly exceeds the Court's page limits. As a consequence, the Defendant's Reply is STRICKEN for failure to comply with this Court's Revised Practice Standards III.C.1. Defendant is granted leave to file an Amended Reply no later than April 30, 2021, not to exceed 35 pages, exclusive of attorney signature blocks and certificate of service. **SO ORDERED** by Judge William J. Martinez on 4/2/2021. Text Only Entry (wjmscc. )
